

South Kensington campus

50 metres

R = Reception

Key

-  **Main entrances to buildings**
-  **Main walkway**
- 1 Ace Extension and Bone Building**
Aeronautics, Centre for Composite Materials, Chemical Engineering and Chemical Technology, London Centre for Marine Technology
- 2 Aston Webb, Bessemer and Goldsmiths Buildings**
Centre for Petroleum Studies, Earth Resources Engineering, Geology, Graduate School of the Environment, Materials, Centre for Technical Ceramics
- 3 Beit Building**
Beit Hall of Residence, Biology (until June 1998), Imperial College Union
- 4 Biochemistry Building**
Biochemistry
- 5 Sir Alexander Fleming Building**
Biology
School of Medicine
- 6 Blakett Laboratory**
Centre for High Temperature Superconductivity, Physics
- 7 Chemistry Building**
Chemistry
- 8 Chemistry RSC1**
Centre for Photomolecular Studies, Biochemistry, Chemistry

- 9 Civil Engineering Building**
Civil Engineering, Centre for Environmental Control and Waste Management, Centre for Transport Studies, Concrete Research and Innovation Centre
- 10 College House**
ICON, IMPEL, MRAG
- 11 Electrical Engineering Building**
Electrical and Electronic Engineering
- 12 Huxley Building**
Computing, Imperial College/ Fujitsu Parallel Computing Research Centre, Mathematics, Physics
- 13 Imperial College and Science Museum Libraries**
Music and Arts Centre
Waterstone's Bookstore
- 14 Linstead Hall of Residence**
- 15 Management School**
- 16 Mechanical Engineering Building**
Centre for Biological and Medical Systems, Centre for Computing Services, Centre for Fusion Studies, Centre for Quantitative Finance, Centre for Vibration Engineering, Humanities, Mechanical Engineering
- 17 170 Queen's Gate**
Dining Room and Solar, Council Room

- 18 William Penney Laboratory**
Computing, IC Parc
- 19 Prince's Gardens (north side)**
(Building numbers in brackets)
Chaplains (10), Day Nursery (8), Garden Hall (10-12), Kensington Committee of Friendship for Overseas Students (13), Sports Centre (7), Sport and Leisure Manager (15), Student Accommodation Office (15), Weeks Hall (16)
- 20 46-48 Prince's Gardens**
Academic Visitors' Accommodation, Centre for Environmental Technology (ICCET)
- 21 Prince's Gardens (south side)**
Conference Office, Grocery Shop, Health Centre and Dentist, Safety Unit, South Side Halls of Residence (Falmouth Keogh, Selkirk and Tizard)
- 22 Roderic Hill Building**
Aeronautics, Chemical Engineering and Chemical Technology, IRC for Process Systems Engineering
- 23 Sherfield Building (Administration)**
Level 1
R Reception, Bank, Catering and Conference Office, Main Dining Hall, Security
Level 2
Great Hall, ICU Shop, Junior Common Room, QT snack bar, Newsagent, Senior Common Room, Travel Services

Level 3
Alumni Relations and Fundraising, Committee Rooms, Registry, Disabilities Officer
Level 4
Archives, Centre for the History of Science, Technology and Medicine, Finance, Planning and MIS, Research Contracts
Level 5
Continuing Education, Deputy Rector, Estates, IC Press, School of Medicine Principal and Secretary, Personnel, Press, Publications and Public Relations, Pro Rectors, Read and Pippard Lecture Theatres, Rector

Access and Toilets for Disabled People

Main entrances have disabled access to ground floor levels marked as shown here, but some may present difficulties. There are toilets for disabled people in the following buildings: No.s 1, 2, 7, 8, 9, 10, 11, 12, 14, 15, 16, 21 and in the Prince's Gardens Health Centre. Please contact the Disabilities Officer for further information and assistance.

Hazards

Visitors are advised that the work of a number of the academic departments in the College involves activities which are potentially hazardous to health and safety unless precautions are taken. The areas where these activities take place, all of which are clearly labelled, should not be entered by visitors unless accompanied by an authorised member of the College staff who will arrange the provision of protective equipment where necessary.
